If you move, will you take the cat with you?		
Are you aware that cats can live 15-20 years and are you willing to take responsibility for this cat for the next 10-20 years?		
Additional comments from applicant:		
Thank you for taking the time to fill out our adoption application. It is an important tool for us to learn a little bit more about you and your preferences. By filling this out, you are giving us a better idea about you and your household so we can see if the cat or cats that you are interested in adopting will be a good match for you and your family.

Pet Adoption Application and Agreement

I/We, the above mentioned, understand and agree that the Feline Rescue of Staten Island makes no express or implied warranty, representation or promise to the age, health, breed, habits, disposition or safety of the animal described above. I hereby accept the animal as is, assume all risks and responsibilities associated with the ownership of the animal, including bites, and I hereby fully and completely release, indemnify and hold harmless Feline Rescue of Staten Island, its directors, officers, volunteers, servants, and employees from any claim, cause of action or liability of any sort or nature, whether known or unknown, directly or indirectly arising out of or in connection with the adoption, care or ownership, maintenance, temperament or condition of the animal.

Initial Here
Home Care: I will provide a humane environment, regular exercise and companionship for my pet.
Initial Here
Collar-Licensing Tags: I will legally license this dog (or cat where needed). I will keep the dog/cat clearly identified immediately upon adoption and at all times.
Initial Here
Spay/Neuter: Breeding of this dog/cat is strictly forbidden. If this pet is not already spayed or neutered, he/she will be prior to going home unless specified by a staff veterinarian. The only reason a spay or neuter surgery would not be performed would be due to a medical condition that would make an anesthetic procedure too risky.
Initial Here
Age Restrictions: I am 21 years or older. Initial Here

Pet adoption application and agreement

Veterinary Care/Conduct & Health of Dog/Cat: After adoption, this dog's/cat's health is the adopter's full responsibility. Medicines, treatments, etc., are the financial responsibility of the adopter. Adopter will arrange for immediate veterinary care in the event of illness or injury. Adopter understands that no one can predict how a dog/cat will react in a new situation. Therefore, adopter will exercise prudence and caution in introducing this dog/cat into the new situation until the dog/cat has become fully adjusted to its new environment and adopter has had an opportunity to become familiar with the dog's/cat's unique personality. Adopter assumes full responsibility for the conduct of this dog/cat, and for any damage to persons or property. The Feline Rescue of Staten Island strives to provide you with a healthy pet, however we can make no explicit or implicit guarantees in reference to the health and/or temperament of the dog/cat. The stress of changing environments can lower and animal's immunity to fight disease and the pet could harbor an infection without displaying symptoms. The dog/cat is adopted "as is" and the adopter assumes all responsibility for treatment of any and all existing conditions or any other physical, medical or temperament changes that may occur in the future. The Feline Rescue of Staten Island cannot guarantee the health of any animal and shall not be held responsible for any medical expenses which may be incurred. I understand that I may return the animal for an exchange or adoption refund within 7 days for a previously undiagnosed health reason verified by Feline Rescue of Staten Island. Feline Rescue of Staten Island does not reimburse for medical bills.
